IMPORTANT COMMUNITY MEETING

The Horn of Africa Peace and Development Center (HAPDC) is pleased to announce a community meeting to discuss the war in Somalia and the overall situation in the region. As the war in Somalia spirals out of control, the need for a serious but civil discussion on the situation from different perspectives and find a way out cannot be overemphasized. HAPDC is a non-profit, non-partisan organization dedicated to peace, justice, and development for all the people of the region. It is an organization comprising of individuals from all the countries of the region. For more information, please visit us at www.hafrica.com.
